

PRESIDENT

Northwest Community College is seeking applications and nominations for the position of President.

Northwest Community College (NWCC) was first established in 1975 in Terrace, British Columbia. From this beginning 34 years ago, there has been a gradual establishment of College Campuses in many of the communities in the Pacific Northwest region to serve the ever-changing needs of those communities. There are now ten campuses located within the College region, including: Hazelton, Prince Rupert, Houston, Kaay'llnagaay, Kitimat, Village of Queen Charlotte, Masset, Smithers, Nass, and Terrace.

The new President of Northwest Community College must hold a deep commitment to the tenets of a multi-campus, rural community college and the heterogeneous student populations it serves. An experienced education and community leader, the President will possess outstanding relationship-building skills. The position requires both leadership and administrative strengths including advocacy, employee engagement and experience supporting policy boards in their work and development. The College is seeking a forward-thinking, dynamic individual to bring it to new heights in its achievements and recognition. Candidates must possess a minimum of a Masters degree and have undertaken ongoing, relevant professional development.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Northwest Community College provides quality learning experiences that help prepare students for successful, positive futures. We celebrate the diversity of our northern and First Nations populations and reflect this diversity in our programs, services and workforce. Committed to employment equity, NWCC encourages applications from Aboriginals, women, persons with disabilities and members of visible minorities.
