

PSYCHOLOGY  
UNIVERSITY OF TORONTO SCARBOROUGH

The Department of Psychology, University of Toronto Scarborough, invites applications for a ***tenure stream appointment in the field of Child/Adolescent Clinical Psychology (#1000667)***. The appointment will be at the rank of Assistant Professor, to begin July 1, 2011.

We seek candidates with expertise in Child/Adolescent Clinical Psychology with research interests in the etiology of various clinical disorders, diagnostic science and/or treatment of psychopathology in children and adolescents. Preference will be given to candidates who are licensed, or who are eligible for licensure, through the College of Psychologists of Ontario.

The successful candidate will be expected to develop an externally funded program of research, to supervise graduate students, and to excel at teaching at the undergraduate and graduate levels. The successful candidate will also be expected to work together with colleagues in the development of the M.A. and Ph.D. program in Clinical Psychology at the University of Toronto Scarborough.

The successful candidate must have a Ph.D. in Clinical Psychology from a CPA/APA accredited program, an established record of excellent quality scholarly research and publication, and demonstrated evidence of excellence in teaching. The successful candidate will also be expected to perform standard professional and administrative activities typical of a department and/or university. Salary will be commensurate with qualifications and experience.

The University of Toronto Scarborough offers the opportunity to teach, conduct research and live in one of the most appealing and diverse cities in the world.

For detailed information about each search and application process, we encourage you to visit the University of Toronto Faculty Careers Page at <http://www.jobs.utoronto.ca/faculty.htm> and submit your application online. Please refer to the job posting #1000667.

The closing date for applications is October 31, 2010.

For more information about the Department of Psychology, University of Toronto Scarborough please visit our home page: <http://www.utsc.utoronto.ca/~psych/>

The University of Toronto Scarborough is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
