ACADEMIC POSITION OPPORTUNITY

Job Title: Professors, Bachelor of Social Science - Criminal Justice

Division/Department: Faculty of Social & Community Services

Reporting To: Associate Dean

Requisition #: 13116

Status: Full-time

Campus: Lakeshore

Salary: Academic starting salaries are determined based on qualifications and years of related experience as detailed in the collective agreement for academic employees.

If you are an educational leader looking for an opportunity to be part of a transformative experience and contribute as we shape the future of our students and communities, here is your opportunity to join our team.

Humber College Institute of Technology and Advanced Learning, one of Canada's leading postsecondary institutions, offers a combination of theoretical learning and hands on experience and meets its vision of transforming postsecondary education through global and polytechnic leadership.

Humber's Centres of Innovation and Entrepreneurship will integrate applied research into program curricula and provide students with access to interdisciplinary and industry projects. We are seeking faculty who will provide students with an exceptional learning experience as we immerse our students in experiential learning and programs that empower them to think critically, make bold choices and become leaders of change.

Humber offers a variety of credentials and flexible learning options including: bachelor's degree, diplomas, certificates, graduate certificates and apprentice programs. Faculty and students excel in business, applied technology, media studies, liberal arts and sciences, social community services, health sciences, hospitality, and creative and performing arts. Learn more about Humber College at www.humber.ca

POSITION SUMMARY:

The successful candidate will be required to teach a broad range of courses in the Bachelor of Social Science, Criminal Justice program. The incumbent will teach, develop curriculum, design/revise specific courses, create an effective and innovative learning environment for our students, assess student progress and achievement; work collaboratively with colleagues, participate in committees and related associations. Teaching will be assigned at both the North and Lakeshore campuses and may include teaching at the International Graduate School (Toronto) and/or Orangeville campus.

The incumbent will also support student advising, student recruitment, graduate placement, assist with the promotion and marketing of programs and develop and maintain strong industry ties.
