## ACADEMIC POSITION OPPORTUNITY

**Job Title:** Professor, Forensic Identification Ontario Graduate Certificate  
**Division/Department:** Faculty of Social & Community Services  
**Reporting To:** Associate Dean

**Requisition #: 13119**  
**Status:** Full-time  
**Campus:** Lakeshore

**Salary:** Academic starting salaries are determined based on qualifications and years of related experience as detailed in the collective agreement for academic employees.

If you are an educational leader looking for an opportunity to be part of a transformative experience and contribute as we shape the future of our students and communities, here is your opportunity to join our team.

Humber College Institute of Technology and Advanced Learning, one of Canada's leading postsecondary institutions, offers a combination of theoretical learning and hands on experience and meets its vision of transforming postsecondary education through global and polytechnic leadership.

Humber's Centres of Innovation and Entrepreneurship will integrate applied research into program curricula and provide students with access to interdisciplinary and industry projects. We are seeking faculty who will provide students with an exceptional learning experience as we immerse our students in experiential learning and programs that empower them to think critically, make bold choices and become leaders of change.

Humber offers a variety of credentials and flexible learning options including: bachelor's degree, diplomas, certificates, graduate certificates and apprentice programs. Faculty and students excel in business, applied technology, media studies, liberal arts and sciences, social community services, health sciences, hospitality, and creative and performing arts. ## ACADEMIC POSITION OPPORTUNITY

### MINIMUM QUALIFICATIONS:

The successful candidate must have a post-secondary credential in a related field, a minimum of 2 years of proven teaching experience at the post-secondary level, as well as a minimum of 10 years of relevant work experience in the crime scene management, disaster scene management and forensic identification field. Industry acumen and experience is required, demonstrated ability to teach a number of courses offered by the college, along with specialized skills in the following areas: forensic investigation, legislation compliance, policing standards, risk mitigation, and ethical conduct.

In addition, the successful candidate will have engaging and effective teaching skills, demonstrated ability to coach and support students, demonstrated experience managing classroom dynamics, strong knowledge and application of current pedagogical principles, a student focused approach and a demonstrated commitment to fostering innovation and positive change. The successful candidate will have a demonstrated commitment to and knowledge of principles of equity and inclusion, be a collaborative team player and be committed to a positive team culture. The successful candidate will possess well developed interpersonal communication and problem solving skills and have demonstrated ability to contribute positively to curriculum development and delivery.

**\*All qualified candidates are encouraged to apply; internal candidates will be given consideration in accordance with the collective agreement. We thank all applicants for their interest in this position, please note that only candidates selected for an interview will be contacted.**

Humber College is committed to a workforce that reflects the diversity of our students and our city. We actively seek qualified individuals from equity seeking groups with demonstrated skills and knowledge to deal with all aspects of equity, diversity and inclusion in a post-secondary environment. Humber College is committed to accommodating applicants with disabilities throughout the hiring process, in accordance with the Accessibility for Ontarians with Disabilities Act (AODA). Our Recruitment Coordinators will work with applicants requesting accommodations at any stage of the hiring process. This document is available in alternate formats upon request.
