## President

### Mount Royal University

Location: Calgary, Alberta, Canada

We are seeking a strategic leader and relationship builder to become our 10th president.

Mount Royal University is an undergraduate institution in Calgary, Alberta. We provide exceptional teaching, personalized learning and a strong foundation of general education. We are striving to be Canada's finest instructionally-focused, scholarly-informed undergraduate university.

We are a student-first community, supported by our dedicated faculty and staff. The success of our students is our top priority. Current students and graduates speak highly of their academic experience at Mount Royal, and consistently rate the University at very high levels on national surveys.

Mount Royal's next president will support and promote the University's overriding commitment to student success. The president will value inclusivity, and will be an advocate for diversity on campus. To develop and achieve our strategic goals, the president will work in close collaboration with faculty, staff and students to set objectives and measure results.

Recognizing the importance of relationships, the president will be the University's most visible ambassador. The president will continually seek opportunities to build connections, to engage the campus and broader community in the vision of the University and to capitalize on funding opportunities from private and public sources.

The president will ideally have a Ph.D., combined with post-secondary education or business/public sector leadership experience. An advocate for teaching and program development, the president will have demonstrated capabilities in leading a complex organization, and proven evidence of sound financial management. The president will understand the complex issues facing post-secondary institutions today, including accessibility, quality, competitiveness, accountability and fiscal sustainability and will engage internal and external communities in strategic ways to address these important matters.

You are invited to learn more at [www.mru.ca/WhyMRU](http://www.mru.ca/WhyMRU) and [www.mru.ca/PresidentialSearch](http://www.mru.ca/PresidentialSearch).

To apply for this position, please submit your application and related materials to [mrupresident@boyden.com](mailto:mrupresident@boyden.com).

*We thank all applicants for their interest, however only those under consideration for the role will be contacted.*
