

Saskatchewan Polytechnic is the Province's only polytechnic and the primary institution for post-secondary applied education and research. Proudly sharing land located in the homeland of the Métis people and on Treaty 4 and Treaty 6 territory, we serve more than 26,000 students through campuses located in Moose Jaw, Prince Albert, Regina and Saskatoon. Saskatchewan Polytechnic offers more than 150 certificate diploma and degree programs, including two collaborative baccalaureate degree programs and a collaborative master's degree program, basic education and academic upgrading, credit and non-credit extension courses, apprenticeship training, televised, hybrid, online, distance and off-campus programming. Our programs are led by a most accomplished and innovative faculty. As a member of Polytechnics Canada, we are committed to offering a broad range of educational experiences that are student-centered and industry responsive.

Saskatchewan Polytechnic provides the skills and education that the Province needs to grow and prosper. We have a long history of working with industry and the community to meet education needs demonstrated by our excellence in teaching, strength in research and proven student success. Through our partnerships, we ensure our programs match opportunities in the real world. Our people are key to our success – the role of dean is to guide and lead exceptional staff in their commitment to our students and shared strategic priorities.

Dean, School of Hospitality & Tourism, School of Human Services & Community Safety, Department of Literacy & Adult Education

Saskatchewan Polytechnic is the leader of post-secondary applied education and training in the province, and is poised to reach that same standard nationally. This position will be key in leading, encouraging and guiding a team of exceptional staff in their commitment to academic integrity and in preparing their graduates for success in their chosen field.

The Dean, School of Hospitality & Tourism, School of Human Services & Community Safety, Department of Literacy & Adult Education will report to the Provost and Vice-President, Academic and will be responsible for driving a range of initiatives that meet labour market demands and effectively champion quality outcomes and programs for our students. He or she will manage and maximize all available resources, ensuring a high degree of accountability, transparency, and fiscal responsibility. They will also develop and foster effective relationships and networks with other schools and departments within Saskatchewan Polytechnic, as well as partnerships with key local, provincial and national stakeholders. The advancement of revenue generating opportunities will require the Dean to maintain strong connections to advancements in industry and to create effective working synergies and partnerships with others.

The ideal candidate will have a graduate degree in a related field of study and a history of senior-level leadership, although an equivalent combination of relevant education and industry-related experience will also be considered. Key to success in this role will be a proven track record in leading innovation, as well as developing and leading high-performing teams within a post-secondary education environment. You will possess a solid understanding of academic quality assurance and pedagogy, with the desire and

initiative to move forward with different and innovative approaches to learning models, business development, applied research and financial models.
