

# L'Université de Montréal et de votre carrière.

Université de Montréal has more than 10,000 employees and is one of Canada's Top 100 Employers.

UdeM has Canada's 2<sup>nd</sup> largest student body and ranks among the top five Canadian research universities, receiving more than half a billion dollars in research funding every year.

Through the achievements of the members of its community, UdeM participates in building tomorrow's world.

## Faculté de l'aménagement (Faculty of Environmental Design)

**5 positions of Assistant Professor**  
**1 position of Assistant or Associate Professor**

The Faculty of Environmental Design (Faculté de l'aménagement) of the Université de Montréal is seeking to hire six tenure-track professors who have experience in university teaching and expertise in an area of environmental design. The positions are being offered in the three schools that are part of the faculty:

- [2 positions in architecture at the rank of Assistant Professor in the School of Architecture](#)
- [2 positions in landscape architecture at the rank of Assistant Professor in the School of Urban Planning and Landscape Architecture](#)
- [1 position in industrial design at the rank of Assistant or Associate Professor in the School of Design](#)
- [1 position in industrial design at the rank of Assistant Professor in the School of Design](#)

The [Faculty of Environmental Design](#) offers programs at all three levels of study, in six areas: architecture, industrial design, interior design, game design, landscape architecture and urban planning. The diversity, quality and interdisciplinary character of teaching and research activities make the faculty an exceptional hub for the design of living environments.

Applicants are expected to demonstrate proficiency in spoken and written French **or** a strong commitment to attaining the level of proficiency required in accordance to [Université de Montréal's Language Policy](#). A formal program of support is offered to all professors who wish to learn French or to improve their mastery of the language.

If you wish to contribute to teaching and research excellence at the Faculty of Environmental Design, you are invited to submit your application. Please follow the hyperlinks above to consult detailed job descriptions and application requirements on the Université de Montréal's website [Faire carrière](#).

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its [Equal Access Employment Program](#), UdeM invites women, Aboriginal people, visible and ethnical minorities, as well as persons with disabilities to send their application. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
