

Professor in computational linguistics

Département de linguistique et de traduction

Job description

The Département de linguistique et de traduction is seeking applications for a full-time tenure-track position at the rank of Assistant Professor in computational linguistics/natural language processing.

Responsibilities

The appointed candidate will be expected to teach at all three levels of the curriculum, supervise graduate students, engage in ongoing research and publication, and contribute to the academic life and reputation of the University. This person will play an important role in the development of the "Computational Linguistics" component of our curriculum and in establishing cross-disciplinary collaborations within and outside of the University.

Requirements

- Ph.D. in linguistics, computer science, or a related field.
- Dual training in linguistics and computer science, with a strong background in core linguistics.
- Demonstrated interest in using computational techniques in the study of language.
- Ability to teach in at least one of the core domains of linguistics.
- Excellent publication track record in computational linguistics.
- University teaching experience.
- Sufficient knowledge of written and spoken French.*

Information about the position

Posting number	FAS 11-18 /23
Deadline	Until December 13 inclusively.
Treatment	The Université de Montréal offers competitive salaries and a full range of benefits.
Starting date	On or after August 1 st , 2019

Application

- The application must include the following documents:
 - a cover letter
 - a curriculum vitæ
 - copies of recent publications and research
- Three letters of recommendation are also to be sent directly to the department chair by the referees.

Application and letters of recommendation must be sent to the chair of the Département de linguistique et de traduction at the following address:

Mireille Tremblay, directrice
Département de linguistique et de traduction, Pavillon Lionel-Groulx
Faculté des arts et des sciences, Université de Montréal
C. P. 6128, succursale Centre-ville
Montréal (QC) H3C 3J7

Application and letters of recommendation may also be sent by email at the following address:
mireille.tremblay.4@umontreal.ca

For more information about the Department, please consult its Web site at <http://ling-trad.umontreal.ca/accueil/>

*** Language Policy**

Université de Montréal is a Québec university with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world's best specialists. In accordance with [the institution's language policy](#), Université de Montréal provides support for newly-recruited faculty to attain proficiency in French.

Confidentiality

The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.

Equal Access Employment Program

Through its Equal Access Employment Program, Université de Montréal invites women, Aboriginal people, visible and ethnical minorities, as well as persons with disabilities to apply. During the recruitment process, our selection tools will be adapted to meet the needs of people with disabilities who request it. Be assured of the confidentiality of this information.

Université de Montréal is committed to the inclusion and the diversity of its staff and also encourages people of all sexual and gender identities to apply.

Immigration Requirements

We invite all qualified candidates to apply at UdeM. However, in accordance with immigration requirements in Canada, please note that priority will be given to Canadian citizens and permanent residents.

Faire carrière à l'UdeM : aider la société, relever des défis et être considéré
