
Professor in psychoeducation

Faculté des arts et des sciences / École de psychoéducation

Job description

The École de psychoéducation is seeking applications for a full-time tenure-track position at the rank of Assistant Professor at its Montreal and Laval campuses, with a particular interest in the areas of assessment and psychoeducational intervention for young children and their families, for clients with a developmental disability (for example, ASD or ID), with young adults or seniors.

Responsibilities

The appointed candidate will be expected to teach at all three levels of the curriculum, supervise graduate students, engage in ongoing research and publication, and contribute to the academic life and reputation of the University.

Requirements

- Ph. D. in Psycho-Education or in a relevant domain
- Teaching experience at university level
- Research experience and publications in the field
- Postdoctoral training will be considered an asset.
- Psychoeducational clinical experience (evaluation and intervention) with children, adolescents and parents will be considered as strong assets.
- Interest in the use of artificial intelligence and information and communication technologies will be considered an asset.
- Membership or eligibility to become a member of the Ordre des psychoéducateurs et psychoéducatrices du Québec (OPPQ) will be considered assets.
- An adequate knowledge of the French written and spoken language or a strong commitment to mastering the proficiency level required*.

*** Language Policy**

Université de Montréal is a Québec university with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world's best specialists. In accordance with [the institution's language policy](#), Université de Montréal provides support for newly-recruited faculty to attain proficiency in French.

Confidentiality

The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.

Equal Access Employment Program

Through its Equal Access Employment Program, Université de Montréal invites women, Aboriginal people, visible and ethnical minorities, as well as persons with disabilities to apply. During the recruitment process, our selection tools will be adapted to meet the needs of people with disabilities who request it. Be assured of the confidentiality of this information.

Université de Montréal is committed to the inclusion and the diversity of its staff and also encourages people of all sexual and gender identities to apply.

Immigration Requirements

We invite all qualified candidates to apply at UdeM. However, in accordance with immigration requirements in Canada, please note that priority will be given to Canadian citizens and permanent residents.
