Assistant Professor in Human-Computer Interaction
Department of Computer Science and Operations Research
Faculty of Arts and Science

Job description
The Department of Computer Science and Operations Research invites applications for the full-time, tenure-track position of Assistant Professor in human-computer interaction (HCI), with the intention of establishing HCI research and teaching at the Université de Montréal.

Responsibilities
The appointed candidate will be expected to teach undergraduate and graduate courses, supervise graduate students, be active in research, publishing, and the diffusion of knowledge, and contribute to the activities of the University.

Requirements
» Ph. D. in computer science or in a related field.
» Strong research record, illustrating the candidate’s ability to publish influential work in top-tier venues of human-computer interaction.
» Demonstrated ability to provide high quality university teaching.
» An adequate knowledge of the French written and spoken language or a strong commitment to mastering the proficiency level required, in accordance to Université de Montréal’s Language Policy. An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

Université de Montréal has more than 10,000 employees and is one of Canada’s Top 100 Employers.
UdeM has Canada's 2nd largest student body and ranks among the top five Canadian research universities, receiving more than half a billion dollars in research funding every year.
Through the achievements of the members of its community, UdeM participates in building today’s and tomorrow’s world.
How to submit your application

The application file should contain the following documents:

- A cover letter: Application must include in the cover letter one of the following statements: “I am a citizen/permanent resident of Canada.” or “I am not a citizen or permanent resident of Canada.”
- Your curriculum vitae;
- Up to three recent publications or research papers demonstrating the candidate’s research performance at the highest levels of the field;
- Your teaching philosophy (maximum one page);
- A presentation of your research program (maximum two pages);
- Three letters of recommendation are also to be sent directly to the department chair by the referees.

Application file and letters of recommendation must be sent by email before January 7th, 2022 to:

**Université de Montréal is strongly committed to fostering diversity and inclusion.** Through its Equal Access Employment Program (EAEP), UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws, and therefore encourages all qualified individuals to apply, regardless of their characteristics. However, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

In order to measure the impact of its equity, diversity and inclusion actions, UdeM is collecting data on applicants identifying themselves with one or more of the groups targeted by the Equal Employment Opportunity Act, namely women, Aboriginal people, visible minorities, ethnic minorities and people with limitations. To this end, we thank you for completing [this self-identification questionnaire](#). The information you provide through this form is strictly confidential and will be shared only with those responsible for the UdeM EAEP. If you wish, you may also indicate that you belong to one of the targeted groups in your cover letter, which will be reviewed by the selection committee and the assembly of peers.

Université de Montréal’s application process allows all members of the Professor’s Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
