

Department of Computer Science  
Faculty of Engineering  
University of Victoria

## Tenure Track Faculty Position, Research Stream

In accordance with the University of Victoria's Equity Plan, and pursuant with Section 42 of the BC Human Rights code, the Department of Computer Science at the University of Victoria is seeking to hire a faculty member with preference for female candidates at the rank of Assistant or Associate Professor. Candidates with research in **AI, Systems, Theory, or Interdisciplinary Areas**, as broadly defined by CSRankings ([csrankings.org](https://csrankings.org)), are encouraged to apply.

The Department of Computer Science is fast growing and has a strong record of excellence in research and teaching at the undergraduate, masters, and PhD level.

Located on Vancouver Island in British Columbia, Canada, the City of Victoria is a wonderful place to live. It has a vibrant tech sector with over 900 companies, an international airport with direct connections to Seattle, San Francisco, and major Canadian cities, as well as direct seaplane access between downtown Victoria and the downtowns of Vancouver and Seattle.

A Ph.D. in Computer Science or related field is required. Successful candidates must demonstrate a strong record of excellence in research and the potential to develop and maintain an internationally recognized research program. They are expected to effectively supervise graduate students, teach computer science courses, obtain external funding, and actively participate in departmental activities. The potential of an applicant's research program to complement and enrich existing research strengths of the department will be an important factor in the selection.

Applicants should submit a CV, a research statement, a teaching statement, up to three selected relevant publications, and a list of three references. The research statement should summarize research achievements and propose future research.

Applications should be submitted at <https://academicjobsonline.org/ajo/jobs/12672>

Please note that you are asked to upload personal information to this service, which is provided as a convenience for you and your referees. The service stores its data on servers located outside of Canada; the data is therefore not in the custody or under the control of the University of Victoria. You may wish to review the privacy statement on [academicjobsonline.org](https://academicjobsonline.org). If you do not wish to use this service, please email [search@csc.uvic.ca](mailto:search@csc.uvic.ca) to request application submission instructions.

All qualified candidates are encouraged to apply; in accordance with Canadian Immigration requirements, Canadians and permanent residents will be given priority. Faculty and Librarians at the University of Victoria are governed by the provisions of the Collective Agreement ([www.uvic.ca/vpacademic/](http://www.uvic.ca/vpacademic/)). Members are represented by the University of Victoria Faculty Association ([www.uvicfa.ca/](http://www.uvicfa.ca/)). The University of Victoria is an equity employer and encourages applications from women, persons with disabilities, members of visible minorities, Indigenous Peoples, people of all sexual orientations and genders, and others who may contribute to the further diversification of the University.

Persons who anticipate needing accommodations for any part of the application and hiring process may contact the Faculty Relations and Academic Administration at [frrecruit@uvic.ca](mailto:frrecruit@uvic.ca). Any personal information provided will be maintained in confidence. The University of Victoria acknowledges the potential impact that career interruptions can have on a candidate's record of research achievement and encourages applicants to explain in their application the impact that career interruptions may have had on their record of research achievement.

The University of Victoria Campus is located on the traditional lands of the Coast Salish Peoples and we are privileged to do our work in a way that is inspired by their history, customs, and culture.

**The closing date for applications is December 21, 2018.**

If you have any questions, please do not hesitate to contact the Recruiting Committee Chair.
