

Department of Computer Science  
Faculty of Engineering and Computer Science, University of Victoria  
Teaching Stream Faculty Position

We invite applications from talented educators for a tenure-track position in Computer Science, at the rank of Assistant Teaching Professor, to commence July 1, 2024. This is a limited search for female, gender diverse, or indigenous candidates (see below). A PhD in Computer Science or a related discipline is required. Candidates are expected to provide evidence of the following.

- Excellence in undergraduate teaching.
- A commitment to pedagogical inquiry and teaching innovation.
- Engagement in teaching-related scholarly activities.
- Leadership potential in advancing undergraduate education

Applicants must submit a cover letter, CV and a teaching dossier, which together must provide the evidence detailed above. The teaching dossier must include the following information.

- Teaching statement
- Equity, Diversity and Inclusion (EDI) statement
- Syllabi of courses taught
- Samples of course material
- Evidence of innovative teaching practices and teaching effectiveness
- Evidence of participation in instructional development (e.g., presentations, publications or participation in workshops/conferences related to teaching) will be considered an asset.

The EDI statement should briefly describe their experience with addressing EDI and/or how the candidate plans to contribute to the EDI goals of the Department (see <https://www.uvic.ca/ecs/about/equity-action-planning/index.php>).

In accordance with the University's Equity Plan and pursuant to section 42 of the BC Human Rights Code, the selection will be limited to members of the following designated group(s): Indigenous peoples, women, and gender diverse peoples. Our search committee will review the pool of applications from those who self-identify with one of these designated groups. Candidates from these groups must self-identify in their cover letter to be considered for this position.

The University of Victoria is consistently ranked in the top tier of Canada's research-intensive universities. We tackle essential issues that matter to people, places and the planet. Situated in the Pacific Rim, our location inspires us to defy boundaries, discover, and innovate in exciting ways. We live, learn, work and explore on the edge of what's next—for our planet and its peoples, particularly the indigenous peoples of the region. We acknowledge with respect the Songhees, Esquimalt and WSÁNEĆ peoples on whose traditional territory the university stands and whose historical relationships with the land continue to this day.

The Department of Computer Science, situated within the Faculty of Engineering and Computer Science, offers B.Sc. Major, Honours and minor degrees in Computer Science and a Bachelor of Software Engineering program, jointly offered with the Department of Electrical and Computer Engineering. It offers several joint programs combining Computer Science with Geography, Health Information Sciences, Mathematics, Statistics, Music, Physics, Psychology, Statistics and Visual Arts. The department offers Masters and Doctoral programs and there are currently 125

graduate students. It offers a one-year course-based Master of Engineering in Applied Data Science, jointly with the Department of Electrical and Computer Engineering. There are currently 34 faculty members, including three Canada Research Chairs, with 10 members having joined the Department in the past five years, creating a dynamic environment with opportunities for growth and development. In the latest Leiden ranking, UVic placed top five in Canada for its proportionate research impact in all sciences, and first in mathematics and computer science. Victoria is a great place to live and boasts a vibrant high-tech sector with over 900 companies on Vancouver Island. UVic's Department of Computer Science is a diverse department with faculty members from across the globe and a commitment to achieving gender parity. All qualified candidates are encouraged to apply; in accordance with Canadian Immigration requirements, Canadians and permanent residents will be given priority.

To be considered, please submit a completed application package including a cover letter that addresses the full scope of the job requirements, along with your curriculum vitae, teaching statements, syllabi, evaluation data, EDI statement, and contact information for three references at <https://academicjobsonline.org/ajo/jobs/26214>, addressed to the Recruiting Committee Chair.
